

ERRORS LOST THIS GAME

Giants' Fingers Were Buttered Yesterday.

RUTLAND TOOK THE GAME

Smith and Doescher Had a Stand-off in Pitching Department—Stankard Made a Home Run.

Errors were responsible for the Inter-city losing yesterday's game to Rutland by a score of 4 to 2. But notwithstanding the errors which were made on both sides it was an interesting game to watch on account of the closeness of the score and the good plays sprinkled in. Spit ball Smith and Doescher were pitted against each other in the box, with honors about even, though Smith ought to have had the game by his fine work if the rest of the team had supported him. Of the four errors made by the home team, Dorman contributed one, Uniac two and Stankard one, Rutland earning only one run off from Smith. But six hits were made off each pitcher and in only the last inning did Rutland get more than one hit off Smith in an inning. Umpire McCloud failed to show up at the game and Burns and Leroy, Rutland's Indians, did the umpiring with good satisfaction.

The particularly bright spots in the game were the home run of Stankard which made one of the locals' two scores in the second, a good running catch by Shaughnessy in the seventh which shut out a score and Shean's one-handed catch of Apperious' Texas-leaguer.

Rutland's tallies all came in one at a time in the second, fourth, eighth and ninth innings, the last one being the only one earned. In the second inning for Rutland Dyer, the first man up, was an easy out, pitcher to first, Shean lugged out a safe one and went to second on Duff's out, second to first. Shean's hit ought not to have been safe. It was a fly ball and landed back of first base. Ashmore and Apperious both started for it and when they got under it each stood and watched it strike the ground. Shannon hit a grounder to second which Uniac got in his hands and failed to hold, and Shean scored on the error.

In the Inter-city's half Eaton the first man up, struck out. Stankard came up and sent the second ball pitched to him over the Red Sox sign on the fence in left field and circled the bases. Smith got a free pass to first and Ashmore advanced him to second on his bunt to the pitcher which he beat out and got first himself. Shaughnessy then drove the ball on a straight line for the left field fence and everybody thought it was going over, but it struck about six inches below the top of the fence and he only got to second and

Smith scored the last run for the Giants.

With fast fielding Rutland pulled out of a tight hole in the fourth. The Giants had three men on bases and only one man out, but Paddy Duff put two more out in quick succession at the plate. Stankard singled and Smith struck out. Ashmore got first on Shean's error of his grounder and Stankard got second. Shaughnessy advanced them a base by Dyer's fumble of his grounder which filled the bases. Dorman hit a grounder to the pitcher who threw Stankard out at the plate. Duff threw the ball to first to catch Dorman, but it was too late. Ashmore tried to score on the throw, but was retired with the side. Rutland tallied once more in her half of the fourth, on a two bagger by Dyer, who went to third on Shean's out and scored on Stankard's fumble of Duff's grounder. Another two bagger in the eighth and an error by Dorman let O'Hara cross the plate. In the ninth Duff started out with a single and was sacrificed to second by Shannon. Doescher fanned and Duff scored on Carroll's two sacker. O'Hara fanned, retiring the side.

The Giants could do nothing in their last attempt. Shaughnessy fanned, Dorman drew a free pass but died on first, as Uniac and Apperious both flied out.

NOTES OF THE GAME.

Stankard got two hits out of three times up.

It is reported that Paddy Duff has been elected an honorary member of the Onegoaloo club of Montpelier.

It was an unusually quiet crowd. Stankard's homer was the only thing that warmed them up to any great amount of cheering.

McMahon would have done much better work on the bench than he did in the field yesterday. His game leg made him perfectly worthless at covering any ground and he struck out twice out of four chances and made no hits.

Eaton had an off day with the stick, striking out three times.

Burlington is only two games behind. Umpire Bobby Burns did not choose to stand Robertson's talk to him from the bench and put him out of the game, and Rutland's reserve catcher played first after the seventh.

The ball game was of no interest to the crowd when the home, latched beside the road, got frightened at an automobile and breaking away started toward Barre at a breakneck pace.

IN ROUSING FINISH.

Burlington Won Out From the New Yorkers Yesterday.

Burlington, August 4.—Burlington won one of those "last half of the ninth" games yesterday afternoon at Athletic park, the final figures being 2 to 1, and Plattsburg got the short end of it. The contest was stubborn and well fought at every point and the visitors played great ball. They scored first in the sixth inning and held Burlington down until one man was out in the ninth. Then with Matthews safe on first there came a hit by Warner who was substituted for Simon, a pretty double steal, and a low drive to centre by Page which sent two men over the rubber and ended the difficulty.

The Burlingtons had to face two of their old team mates, Donovan and Skelley. The former pitched fine ball for Plattsburg and fielded his position in great style. He kept his hits well scattered until the two were lunched in the ninth. "Eddie" Loughlin, the old Harvard player who was with St. Albans last season and the year before, made his first appearance as a permanent figure in the Champe's left garden. He also received the approval of the fans and gave a good account of himself. Page caught his first game in place of Warner, who is going to leave.

TANNEHILL A WIZARD

Allowed Cleveland But Three Hits Yesterday.

AND BOSTON BATTED HARD

Indians Were Shut Out, Not Going Beyond Second Base During the Entire Game—Other League Scores.

Boston, August 4.—Tannehill allowed the Indians three hits yesterday afternoon and the Champions won the game, 5 to 0. Bernhardt started in to pitch for the visitors but got his hand hurt early so that he had to give way to Hess who was hit hard. In fact, the home team gave promise of taking a brace.

In the second, after Stahl had fanned, Freeman singled to right. Ferrie's grounder bounded over Turner's head, Freeman going to second. Both runners scored on Criger's triple to right. Tannehill singled in the same direction and Criger scored. Seibach walked, and Tannehill scored on Parent's single. Burkett and Collins ended the inning by striking out and fouling out, respectively.

With one down in the sixth, Criger walked and when Turner dropped the throw to stop his steal Criger went to third. Tannehill fanned. Hess made a wild pitch and Criger scored.

The Clevelanders didn't get a man beyond second base during the entire game.

Boston, Aug. 4.—A wildly cheering crowd saw Sweet Marie (2:04 1/2) win the \$5,000 match race with Tiverton (2:04) at Readville yesterday. It was the best two heats in three, and the mare won the second and third. The times were remarkable—2:05 1/2, 2:04 1/2, 2:06 1/2. It was a decidedly popular victory.

FEAR WORST.

Little Hope That Miss Tucker Is Still Alive.

Rochester, N. H., August 4.—The search for Miss Mary A. Tucker, the missing Providence school teacher, continued with unabated zeal yesterday, but, although the searchers succeeded in tracing her to Lebanon, Me. where she was last seen Saturday, it is now feared that the missing woman has perished.

N. W. Eastman of Lynn, Mass., who is representing the Rev. Dr. Faunce, the stepfather of Miss Tucker, had a conference with the local police authorities yesterday, and told them to exert every effort to find Miss Tucker. Dr. Faunce has authorized him to use no expense to accomplish that object.

At an early hour Mr. Eastman, accompanied by several men, started for East Rochester, from which place the search will be taken up and carried over the border line into Maine. Mr. Eastman learned before starting out yesterday that Miss Tucker was seen at Pine Hill, Berwick, Me., Saturday afternoon, and, acting on the suggestion of the local police, he sent another searching party to that place.

Mr. Eastman has little hope of finding Miss Tucker alive. Her physical condition, combined with the hardships she has undoubtedly suffered, must have, he thinks, thoroughly exhausted and possibly killed her. Seventy-five men participated in the search Wednesday, and as large a number aided Mr. Eastman and the police yesterday.

MOROCCO CONFERENCE.

This Government Was Asked to Name Meeting Place.

Washington, August 4.—It became known yesterday that the United States government was some time ago asked to express a preference for the meeting place of the Moroccan conference. BODIES TO BE EXHUMED

Deaths of Other Waterman Children

ARE TO BE INVESTIGATED

Hearing Will Be Postponed from Today Until the State Chemist Can Make His Report.

Island Pond, Aug. 4.—Lawyer Harland B. Howe, counsel for Robert Waterman, says he is sure that his client will be acquitted at the preliminary hearing, and not even held for trial.

State's Attorney Harry R. Amey says if the Waterman child used of poison he is sure Waterman did it; if he thought it was some one else, that person would be a prisoner, instead of Robert Waterman.

He says that the State chemist has reported that it is impossible to complete the analysis by Friday, the date set for the hearing, and that the hearing will be postponed, probably to a week from today.

A number of county officers will be present to preserve order, as there is very hard feeling between Robert Waterman and the Poolers and their friends, and a collision is feared.

Although the clerks at Gordon's drug store are positive Waterman did not purchase any extract of checkerberry there, Attorney Amey is equally positive the checkerberry was obtained at that store, and says he is prepared to prove it.

Mr. Amey's assistant, B. H. Hinman, went yesterday to Grandy, Barton and Gallup's Mills, where Waterman formerly lived, to investigate the deaths of his other children and wives. "If we cannot secure sufficient evidence otherwise," said Mr. Hinman, "the bodies will be exhumed, for this case will not be dropped even if the chemists reports Lilla was not poisoned."

HIS HEART SEWED UP.
Remarkable Operation on Man Stabbed in a Fight.

Philadelphia, Pa., Aug. 4.—Everything continues favorable for the early and complete recovery of Alonzo Carrington, whose heart was stitched up last Saturday night after a brawl in which he was stabbed. At the Bryn Mawr hospital it is stated that he is getting along nicely and that no complications of any kind have developed. It has not been determined by the surgeons whether to take out the catgut stitches. They probably will be left in the heart muscle, where they can hardly do any harm.

ARE OVERRUN BY DEER.
New Hampshire Farmers Report Damage to Crops.

Concord, N. H., Aug. 4.—Some idea of the extent to which the state is being overrun by deer is given by a letter received by the secretary of state from a Greenfield farmer. The Greenfield man complains that the deer in his neighborhood have utterly ruined his garden, destroying beets, turnips and peas, and have commenced to eat the potato crops. This is one of many complaints, but the law forbids injuring the deer.
